There will be required programming beginning the afternoon of your Move-In Day and lasting until the first day of classes. There will be programming on August 14, 15, and 16 for those who have an earlier Move-In Day.

There will be support for students and families on each of the three Move-In Days. Families should plan to leave campus the evening on their student’s move-in day since students have required orientation activities that evening and the following days.

If you want to spend time in New Orleans as a family, it’s best to schedule that before Move-In.
